Tuition Rates

EFFECTIVE SEPTEMBER 1ST 2025

At MCCA, we are committed to providing quality childcare while keeping the needs of our families at the forefront of our decision-making process. Our current tuition rates reflect our dedication to affordability and sustainability, ensuring that we can continue to offer exceptional care and education to all children in our community.

To maintain the quality of our programs and services, we review and adjust tuition rates annually to keep pace with inflation and operational costs. This adjustment allows us to retain qualified staff, enhance educational resources, and maintain a safe and nurturing environment for all children entrusted to our care.
